12. Equality impact

1. Introduction

- 1.1 Minerva Learning Trust's exclusion policy aims to set out the process that will be followed and the additional considerations around suspensions and exclusions that the Minerva Learning Trust will apply. Good behaviour and self-discipline lead to effective learning and help prepare children and young people for life beyond the school gate.
- 1.2 Where the Minerva Learning Trust's approaches towards behaviour management have been exhausted, then suspensions and permanent exclusions will sometimes be necessary as a last resort. This is to ensure that other children and young people and teaching staff are protected from disruption and can learn in safe, calm, and supportive environments.
- 1.3 The Minerva Learning Trust will always have regard to the Statutory Guidance on Suspensions and Exclusions (July 2022) when making decisions on suspensions and exclusions and will follow the law, as set out in the relevant School Discipline (Pupil Exclusions and Reviews) (England) Regulation 2012 (as amended).
- 1.4 This policy should be read in conjunction with the behaviour policy and the SEND policy for the School.

2. Application of policy

- 2.1 This policy applies to all members of the Minerva Learning Trust community. Each school within the Trust will apply suspensions and exclusions in accordance with this policy and ensure that its contents are relayed to all staff, parents and children and young people.

3. Types of exclusion

Suspensions and permanent exclusions are different:

- 3.1 Suspensions (previously called fixed-term exclusions) are where a pupil is prevented from attending the school for a fixed period. At the end of the period, they are expected to return to school following a reintegration meeting. A pupil may receive a maximum 45 days of suspension in an academic year before being permanently excluded.

3.2 Permanent exclusions are where, subject to a decision of the governing board to reinstate the pupil to the school, the pupil is prevented from attending the school again. A decision to permanently exclude will only be taken in response to a serious breach or persistent breaches of the school's behaviour policy; and where allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others such as staff or children and young people in the school.

4. Roles and responsibilities

All members of the Minerva Learning Trust community are expected to follow this policy. Roles, responsibilities, and expectations of each section of the Minerva Learning Trust community are set out in detail below.

The Headteacher

4.1 All decisions to suspend or permanently exclude a pupil will be taken by the Headteacher after considering all the circumstances. Every decision made will be proportionate to the seriousness of the behaviour with reference to the school's behaviour policy.

The governors

4.2 The governing board is responsible for forming committees to review exclusions and suspensions when it is required to do so, it is requested by parents, or it is, in its view, prudent to review an individual decision. In each case, the decision of the relevant committee formed by the governing board will be to decide whether to uphold the exclusion or suspension, or instead to reinstate the pupil to the school.

Parents

4.3 Parents will be informed without delay of any suspension or exclusion and there is an ability to make representations in regard to any suspension or exclusion decision. Details will be provided on the rights parents have with every letter that is sent from the Headteacher.

Children and young people

4.4 All children and young people of the schools in the Trust are expected to follow the expectations regarding their behaviour to ensure that all children and young people can learn and participate in school life effectively. Where those expectations are breached, the behaviour policy will apply.

5. CCTV, witness evidence and pupil views

5.1 The Minerva Learning Trust uses Close Circuit Television (**CCTV**) within its premises in some of its schools. This is to provide a safe and secure environment for children and young people, staff and visitors. If behavioural incidents are recorded on CCTV, the footage may be viewed as part of the investigation and the content considered before imposing a sanction. If CCTV is relied upon for a decision on a suspension or exclusion, then it will be shown in some format (redacted as necessary) at any **governor** review meeting. Please see the Schools CCTV policy and privacy notices for more information.

5.2 Where witness evidence is relied upon, whether that be from a pupil or a staff member, the statement(s) will be provided at any **[governors]** review meeting. All statements will be signed and dated unless the Headteacher has good reason to protect the anonymity of the relevant witness. Reasons may include threats of reprisals.

5.3 Before taking a decision to suspend or exclude and where appropriate, the Headteacher will take the pupil's views into account, considering their age and understanding, and inform the pupil about how their views have been factored into any decision made. Where relevant, the pupil will be given support to express their view, including through advocates such as parents or, if the pupil has one, a social worker. The Headteacher will also take account of any contributing factors identified after an incident of misbehaviour has occurred.

6. Reintegration strategy meetings following suspension or off-site direction

- 6.1 Where a pupil is suspended or is directed to be educated off-site, before returning to the school both the pupil and parents will be invited to a reintegration strategy meeting. The purpose of the meeting is to:
- offer the pupil a fresh start,
 - help them understand the impact of their behaviour on themselves and others,
 - teach them to how meet the high expectations of behaviour in line with the school culture,
 - foster a renewed sense of belonging within the school community; and
 - build engagement with learning
- so that further suspensions are not needed. School staff will work with the pupil to understand what led to the behaviour and to establish if any changes can be made or further support implemented from a pastoral of practical perspective that might reduce the chance of repeat behaviours. Previous behaviour is not seen as an obstacle to future success.
- 6.2 The school used various measures to support a pupil's successful reintegration individualised to the pupil. These could include: including:
- [daily contact with a designated pastoral professional in-school;
 - use of a report card with personalised targets leading to personalised rewards;
 - ensuring the pupil receives academic support upon return to catch up on any lost progress;
 - planned pastoral interventions;
 - mentoring by a trusted adult or a local mentoring charity;
 - regular reviews with the pupil and parents to praise progress being made and raise and address any concerns at an early stage; and
 - informing the pupil, parents and staff of potential external support.]
- 6.3 Whilst reintegration meetings are highly encouraged by the Trust children and young people will not be prevented from being admitted to the School or being put in mainstream classes because a meeting has not taken place.

7. Suspensions before a permanent exclusion

- 7.1 In exceptional circumstances, children and young people may receive a suspension prior to a permanent exclusion. For each decision, the Headteacher will send the relevant letter setting out the rights of parents. A suspension cannot be converted into a permanent exclusion and so any subsequent permanent exclusion would be a fresh decision due to commence immediately after the suspension had ended. Exceptional circumstances may include where further evidence has come to light or where the incident was serious, and time is required to fully investigate the circumstances and consider alternatives.

8. Directing off-site and managed moves

- 8.1 Before taking any decision to permanently exclude a pupil, the Headteacher will consider whether a direction to attend alternative provision and/or a managed move as part of a planned intervention would be a reasonable alternative that should be considered.
- 8.2 In the case of directing a pupil off-site to alternative provision, the aim of any direction is for it to be used as a short-term measure as part of the school's behaviour management strategy to improve a pupil's behaviour where in-school interventions and/or outreach have been unsuccessful or are deemed inappropriate. While parental consent is not needed, discussions would take place with parents to feed in their views about the options.
- 8.3 For a managed move to take place there needs to be agreement between the School, the parents and the new school that a managed move should occur. Before a managed move is agreed to, the pupil attend the new school for a trial period to ensure that the new school would be suitable for them. We will share relevant information with the new school and check that they have an integration strategy. At the end of this period, the relevant parties (including the parents) will review the placement before a decision is taken about whether the move becomes permanent.

9. Independent review panels (IRPs)

9.1 The Minerva Learning Trust arranges its own IRPs, and requests for an IRP where a permanent exclusion has been upheld should be made to Clerk to the Governors within 15 school days]

Further details on the role and powers of IRPs can be found in Part Ten of the Statutory Guidance on Exclusions.

10. Reconsideration by the governing board

Where an IRP either recommends reconsideration or quashes the initial decision of the governing board, the decision will be considered within 10 school days. This may involve a rehearing with oral evidence given by the School and parents or may be a reconsideration with only the governing board members and the clerk present.

11. Complaints

If parents have any concerns or complaints over the application or implementation of this policy or feels that they are being pressured into a managed move, they should raise their concerns with a staff member or the Headteacher in accordance with the Trusts complaints policy. If the concern relates to an exclusion, the statutory procedure set out in the exclusions statutory guidance will be followed.

12. Equality impact

The Minerva Learning Trust does all it can to ensure that its policies do not discriminate against children and young people or others, either directly or indirectly, in line with any Equality Act 2010 protected characteristics. This includes race, religion, disability, sexual orientation, and sex. The [governors] review data on suspensions and exclusions to ensure that the use of suspensions and exclusions is appropriate. The following are monitored by the [governors] to ensure the processes and support for children and young people are appropriate:

- the interventions put in place for children and young people at risk of suspension and permanent exclusion
- the processes in place for determining and reviewing directions to alternative provision and that such placements are reviewed at sufficient intervals to assure that the education is achieving its objectives and that children and young people are benefiting from it
- the full-time educational provision for children and young people of compulsory school age from the sixth consecutive school day of a suspension, in particular checking the provision is suitable and quality-assured to ensure that:
 - any previous placements have been evaluated, including support for any applicable SEND;
 - there is a process in place to monitor the pupil's attendance and behaviour at the provision
 - the correct attendance code is being used
 - the pupil's child protection file and any other information relevant to the pupil's safeguarding and welfare has been securely transferred to their new setting as early as possible
 - whether there is any variation within the year on suspensions and permanent exclusions and the characteristics of children and young people
 - the cost implications of directing children to be educated off-site in alternative provision and whether there are any patterns to the reasons or timing of moves
 - whether the school register and absence codes have been recorded correctly
 - how the behaviour policy is applied and specifically its consistency
 - the circumstances in which children and young people receive repeat suspensions
 - whether Personal Education Plans for looked after children have been reviewed on a termly basis
