Dear Parent/Carer

Behaviour Agreement for Parents/Carers

I hope you had an enjoyable Easter break with some time to recharge batteries ahead of the summer term.

We have a full five weeks ahead of us before the summer half term break, packed with a variety of exciting events and engaging activities throughout all our schools.

As we start back, I wanted to write to share information about our new Behaviour Agreement for Parents and Carers. This is something that many schools across the country have introduced and we feel is beneficial for our schools too.

In the vast majority of cases, we are fortunate enough to have really strong and constructive relationships with families and we place great value on our partnership with parents/carers. However, there have been occasions where this has not been the case. Concerns have been raised with us by families about the conduct of some parents/carers, and so we felt it was time for us to set out our expectations really clearly.

Please do take the time to read the enclosed agreement, which we consulted on with a group of parents from each school. I hope you will agree that this is very much about behaviour that everyone can reasonably expect, to ensure that our schools continue to be warm, safe and nurturing places that are welcoming to everyone.
