

# COLFOX BULLETIN 9

## HEADTEACHER NEWS

**Welcome to our weekly bulletin for Parents.** Students in Year 11 and 13 now only have 16 weeks of school left, this is a crucial time for them, all the focus and revision that they put in now will pay off when their exams begin in May. We'll be here to support them and we know you, as Parents, also want to support them too, there is a [useful blog here](#) about how best to help them. As you can see below, Christmas has come to Colfox! Our tree is up in reception and thanks to Gavin Dixon Finance Solutions for generously gifting us another tree via Groves for our Library. Thank you! This week our Music Students are enjoying a trip to London, to see 'Back to the Future the Musical' and visit the Tower of London. Students have been rehearsing for our Christmas Concert at St Mary's Church which is on Thursday, please come along, as you can see from the pictures of last year's event below it is wonderfully festive. Well done to all our Sports Teams this term, please encourage your child to participate and join a club, it is not too late, they are free and good for wellbeing. Have a good weekend, **Adam Shelley Headteacher**

### Secret Student Competition

The Student Council met on Thursday and one of the things they voted on was the new Secret Student Competition. What happens? A 'Secret Student' is selected randomly from each tutor group, no one knows who they all are, neither Students nor Teachers. From 9-12 Dec Teachers will be looking to award House Points related to the theme 'Presentation in Work'. Who wins? From the group of 'Secret Students' the winner will be the one who collects the most House Points over the competition time and they will win a prize for their whole tutor group.
