SUPPORTERS FORUM

Topic: Neurodevelopmental support

Are you a parent, carer or supporter of a child in a Dorset School or college? We need your voice!

The Mental Health Support Team in Schools (MHST) now included Learning Disability (LD)/Neurodevelopmental Practitioners, supporting children and young people with additional needs who are experiencing mental health difficulties.

This new role allows us to adapt interventions for those with neurodevelopmental differences.

We would like to understand what support would be most helpful for your child and family as we shape this role.

 We'd love your input!
