

COLFOX BULLETIN 7

HEADTEACHER NEWS

Well done to our Y11 Students, attendance at our GCSE support sessions has been very high, these will continue after the mock exams, do encourage your child to attend as it makes a real difference. Good luck everyone with the exams, there is a [useful blog](#) here about how Parents can help. Students and Families are invited to our Joint Sixth Form Open Evening on Wednesday 12th, please come along. Our Joint Sixth Form is very supportive and ambitious, take a look at our [new Sixth Form Prospectus](#) to find out more. It was lovely to welcome Families at our Year 7 Belonging Event just before half term, we look forward to seeing all Parents at the next event on the 25th Nov, here are some of the messages from the evening: 'Amazing - loved catching up with teachers', 'Excellent chance to meet teachers, ask questions and get a brilliant feel for the school'. Our [Careers Fair](#) was a great success, thanks to all the employers and training providers who came along, our younger students also enjoyed a Halloween themed careers scavenger hunt! Have a good weekend, **Adam Shelley, Headteacher**
