

# COLFOX BULLETIN 8

## HEADTEACHER NEWS

It has been another busy week at Colfox! This week we celebrated the book launch of 'Unexpected Tales', a brilliant collection of short stories from our Y10 Writers, who took part in creative workshops with the Bank of Dreams & Nightmares - well done to everyone whose story was published. I'm pleased that our Year 10s have a great range of work experience placements lined up to suit their different interests - good luck to them for next week and thank you to all the businesses and organisations who have offered interesting placements. Some of our Y7s enjoyed a fascinating trip to Leonardo Helicopters. I'm pleased to confirm that there will be no significant staffing changes or redundancies at Colfox next year. We will also be broadening our curriculum and offering more GCSE and A Level subjects than ever before. We're also expanding our provision for Students with SEN. Reminder that Students can wear optional summer uniform next term if they like. Please check your child has all the equipment they need, useful picture list on P3 below, contact us if you need help with this. Have a good weekend, **Adam Shelley, Headteacher**
