

Dear Applicant

On behalf of the Local Governing Body I am writing to thank you for your interest in the position of Head of School at Bridport Primary School. This pack is intended to provide more information about the role and the application process and to provide some context about our school and community. Our website conveys more of the essence and character of our school and we warmly welcome visits.

Our previous Head left in August 2018 and another experienced Head is in charge until Easter 2019. The school continues to improve in a number of key areas but there was a dip in Maths at KS2 and Phonics in 2018. We are looking to appoint an experienced and enterprising Head of School who can embrace and build on our many successes and achievements. Key strengths of the appointed leader will be the ability to steer and embrace engagement and collaboration within the school and the wider education community whilst having the leadership, knowledge and practitioner experience, passion and commitment to drive improvement in learning outcomes and standards.

Bridport Primary School is a member of the Minerva Learning Trust. This is a group of schools in Bridport who believe in working together and supporting and developing our staff to ensure the highest quality education for all the children in our community.

I hope we have given you all the details you need and if you believe that we are a good match for each other's requirements I look forward to receiving and considering your application in due course.

Yours sincerely

David Powell
Chair of Governors
