Dear Parents

## Change of class Teacher for Maths

We are sadly saying "Goodbye" to Miss Stone at the end of this half term. Miss Stone has been working in the Maths department at The Sir John Colfox Academy since September. We are fortunate that our Year 11 and 13 classes will have left after the holiday and so we have been able to re timetable members of our current Maths team onto these classes so we are able to ensure strong maths learning throughout the upcoming half term.

## New Appointment for 2018/19

We are very fortunate to have made an excellent appointment that will strengthen our Maths team. Mr James Phillips has been appointed to become Head of Faculty from next year. He is a very experienced colleague and is currently the Head of Maths at The Gryphon School (Sherborne), a post he has held for sixteen years. Prior to that he has taught at two other large Dorset secondary schools.

I am excited to be taking up a new position in the team as a 'Lead Practitioner', a post that will enable me to spend more time developing teaching and learning ideas in Maths with our team and

within the Minerva Learning Trust schools, including supporting professional development for other staff.

Should you have any questions about the above please do not hesitate to contact me.

Yours sincerely

Kayleigh Jones  
Head of Maths Faculty
