

# The Sir John Colfox Academy

**Inspiring Learning, Achieving Excellence**

Headteacher: Mr Adam Shelley MEd, BSc Hons, PGCE, NPQH

Dear F7CP

Welcome to F7CP!

My name is Miss Porter and I would like to take the opportunity to introduce myself as your new form tutor. This is my first year at The Sir John Colfox Academy and I am looking forward to starting this new journey with all of you.

I am excited about the opportunity to get to know you, and I am looking forward to a very happy and productive school year. I cannot wait to meet and welcome you all to The Sir John Colfox Academy. I understand that moving from Primary school to Secondary school is a big change, but do not worry, myself and our wonderful Year 7 team will help you settle quickly and make you feel happy in your new chapter at SJCA.

My subject area is Science, I love any opportunity to get out practical equipment and teach through visual aspects. The more colours the better! I studied Biological Sciences at Bournemouth University and went on to do my PGCE at Bath University. I went into teaching because I wanted to share my love of science with others and help encourage future generations to become scientists.

Outside of school I enjoy travelling, windsurfing, reading and spending time with my family. My favourite food is Italian – this reminds me of my childhood growing up in an Italian family. Prior to teaching, I was a professional dancer for 5 years in the UK. This gave me many opportunities to meet new people and learn new skills.

I am really excited to take on a Year 7 tutor group and will try my best to give you the best welcome possible! I enjoy getting to know the characters in a tutor group so I hope you will give lots to tell me, such as fun facts about yourself and what you have been up to over the summer.

Teamwork makes dream work and I like a form group who helps one another.

Once again, welcome to F7CP. Let's work together to make this the best year ever!

Yours sincerely

Miss C Porter
