Dear Parents

## **Donation of Used GCSE Revision Books – Can You Help Please**

With the end of the academic year fast approaching I was wondering if I could ask for your help, by donating your child's revision books back to school.

You may be aware each September our Yr10 and Yr11 students have an opportunity to order revision books to support their GCSE learning. Some students are lucky enough to receive resources automatically, however, most parents are asked to purchase these. I understand that this can be expensive and, with the ongoing effects of the Covid-19 pandemic, families can struggle with costs. By donating your child's revision guides you will be helping other students with their ongoing learning as well as supporting our local community. All donations will be passed forward and very much appreciated!

## **Returning Books to School – Covid-19**

Due to the risk of cross infection please can I ask that your kind donations are placed in a carrier bag with your child's name on a piece of paper and the bag then sealed (end of bag folded over and a strip of tape will be fine). There is a box drop off point inside the main school entrance first set of glass doors, where books are to be placed.

As we live through this challenging time, all I can say is **Thank You** for your continued support.

Kindest regards and keep safe,

Emma Dixon.
