Dear Parents

## **Return of Yr12 Text Books – Covid-19**

With the end of the academic year approaching it is time for **some** Year 12 subjects to return their books for cleaning, processing and preparation for our new academic year in September 2020.

**If your child studies the subjects below these books will need to be returned:-**

- **Physics - A Level Year 1 And As Student Book**
- **Biology – A Level Student Book 1**
- **Chemistry – A Level Student Book 1**
- **Religious Studies - A Level Year 1 And As, Religious Studies, Wealth Of Nations, The: Representative Selections**
- **English – English Language A/as Student Book, Aqa English Language B A2: Student's Book, Brick Lane**

**Please be reassured your child no longer needs these resources to support their ongoing studies into Year 13, being supported via teams, online resources and packs available to those with restricted internet access.**

All other subject areas are required to keep their books for study support and should bring into school on return in September 2020.

## **Returning Books to School – Covid-19 – Final Return Date: Friday 19<sup>th</sup> June 2020**

**Due to the risk of cross infection please can I ask that all books being returned are placed in a carrier bag with your child's name on a piece of paper inside the bag and sealed where possible (end of bag folded over and a strip of tape will be fine). There is a box drop off point inside the main school entrance first door, where books are then to be placed. You will not need to enter further into the reception area to do this.**

As we live through this difficult time of change, all I can say is **Thank You** for your continued support.
