1 July 2020

Dear Parents

Virtual sports day

To make up for the fact that the PE Department has had to cancel sports day for one of the first times ever, we have decided that we will run a virtual sports day for all students across Year 7 to Year 10!

Clearly we cannot facilitate the traditional events that you would see, so we have created FIVE challenges for each student to complete over the next TWO WEEKS in order to allow them to participate in our sports day. Hopefully this will allow all of those who are disappointed at missing out the opportunity to do something, but particularly for Year 7 as this would have been their first sports day, and for Year 10 which would have been their last.

Students are able to have as many goes as they want at each challenge in order to obtain the best score. I have attached an instruction/recording sheet for you so that each challenge can be administered (as closely as possible!) the same across all year groups. All I ask from you is that you record the best score for each challenge and then either send it back to me on the sheet, or simply written in an e-mail.

The competition will close on Friday 10 July 2020. This will then give me time to work out each students score and allocate prizes accordingly. The best performers overall and in each event will be sent a certificate to acknowledge their performance and hard work, and they will also be awarded prizes when they return in September.

My e-mail address is:

littlechildg@colfox.dorset.sch.uk

Yours sincerely

Mr Littlechild
Head of PE
