14 September 2020

Dear Parents

Student Resource Books Revision Guides for Years 10 & 11

I hope that your child has been enjoying their return to school this autumn term. Having easy access to helpful resources including revision guides can be a really valuable tool to help support your child as they begin to make more serious preparations towards GCSE exams.

A guide of additional resources recommended by our subject leaders can be found on our school website in the **Curriculum then Exam Preparation area**. The guide does let you know the ISBN numbers and recommended retail prices, however there is an opportunity to purchase some guides through the school at discounted prices. If you would like to take advantage of this offer please visit our **Wisepay option on our school website**. Please note there are curriculum differences between year groups so please ensure you view/order resources for your child's specific year. All orders must be received online by **Monday 21 September 2020**.

Students who receive additional 'Pupil Premium' funding will automatically have any necessary books purchased for them and so do not need to apply online. If you wish to check any aspect of this please do not hesitate to contact me.

I hope this information is useful for you and if I can help further please do contact me at dixone@colfox.dorset.sch.uk

Yours sincerely

Emma Dixon
Learning Resource Manager
