

The Sixth Form

May 2022

Dear Students, Parents and Carers

Re. Sixth Form Induction Programme

With students' time in Year 11 drawing to a close, our attention turns to preparing students for their next steps.

The Joint Sixth Form are running a three-day 'next steps and Sixth Form induction programme' from Monday 27th June to Wednesday 29th June. Students joining the Joint Sixth Form in September are expected to attend, but the offer is extended to all current Year 11 students to attend on Monday 27th as part of our post-16 transition support.

Students joining the Yeovil College Partnership as part of the Joint Sixth Form (or if they are interested in finding out more about the partnership) should attend on Monday 27th June.

Complete and return the slip or fill in the online form (<https://forms.office.com/r/uHmE76b3kk>) to confirm participation. This is required to allow us to finalise numbers.

Students should arrive and depart from their home school site. All activities will be completed within the school day and any travel between the sites will be provided. School uniform is not expected and please be aware that Monday afternoon activities are outside; be prepared for any type of weather! Lunch is provided for all students on Monday but students are asked to provide their own lunch on Tuesday and Wednesday. Students should bring a notebook and writing equipment with them each day.

| Date | Activity | Details |
|---------------------------------|---|---|
| Monday 21 st June | Next steps / Teambuilding activities | Wear old clothes, appropriate for being outside. Lunch is provided. |
| Tuesday 22 nd June | Meet your teachers – introductory lessons. | Own clothes. Bring lunch. Based at Beaminster. |
| Wednesday 23 rd June | Meet your teachers – introductory lessons. | Own clothes. Bring lunch. Based at Colfox. |

Tuesday and Wednesday will involve students having introductory lessons for their chosen options. Staff will introduce the course and outline the summer bridging tasks, which should be completed ahead of returning in September. The majority of students have chosen three subjects and a timetable will be provided for each student.

When at the 'other' site, students will also be given a tour of the school and will be set up with an email account with guidance on how to use the new systems.

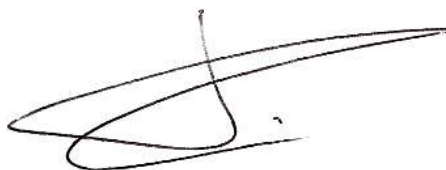

We look forward to seeing students and welcoming them to the Joint Sixth Form.

Yours sincerely,

Mr A Teasdale
